1. Per reftel request, Post contacted end-user, Royal Air Force of Oman (RAFO), to inquire whether it had received the master caution warning parts and components (P/N 65-0872-9) for the EH101 Aircraft. Major Bader Al Belushi, RAFO Engineering, informed Embassy's Chief of Air Force and Navy Programs, Office of Military Cooperation (OMC), that RAFO has not received the parts and also noted it is still awaiting delivery of the EH101 Aircraft. Embassy requested that RAFO notify OMC when it receives the parts. Post requests any additional information from PM/DTCC that may help it locate the parts.
